

# SEACHROME

# WELLNESS

Seachrome promises our seasoned approach to innovation, craftsmanship and service in all of our work. From initial concept and prototype design through tooling and production, we treat each product as if intended for our own family's use. Seachrome embraces an eco-friendly philosophy, using #304 stainless steel material, 100% recyclable in finished form.

Beautifully crafted  
for your peace  
of mind. Smartly  
designed for your  
sense of style.

# YOUR PEACE OF MIND. OUR BEAUTIFULLY CRAFTED DESIGNS.

Our in-depth knowledge of manufacturing and craftsmanship assures that Seachrome's Wellness Series meets the highest standards in its class. Comfort, safety and beauty combine in each of these bold, innovative designs. The Wellness Series integrates our decades of experience in providing stable and secure structural options in a bathroom environment — proven to create confidence, self-reliance — and peace of mind — for the elderly and physically impaired. Underlying the fluid lines and elegant simplicity is our commitment to functional support, durability and intelligent style — all in service to health and quality of life.

**One-piece welded construction** offers secure weight-bearing support

**Using #304 stainless steel** in a variety of finish options for lasting wear with elegant appeal

**Multi-function design** integrates style and function into any space

THE PERFECT  
COMBINATION OF  
STYLE AND SAFETY.

+

### WAVE BAR GS-3500 SERIES

✦ **WELLNESS BARS**

**HUNTINGTON BAR** GW-4400 SERIES  
 Designed with elegant simplicity, this sleek mixing valve grab bar looks like the perfect visual accent as it encircles tub or shower controls — and provides ever-present security and support.  
 12" RADIUS (SHOWN: GW-4412-QNT)

**NEWPORT BAR** GW-3900 SERIES  
 The one-piece welded construction of this versatile combination grab bar and towel bar offers solid support. Available in a variety of decorative flange options, finishes and sizes.  
 LENGTH: 30" (SHOWN: GW-3930-QCR)

**PISMO BAR** GW-3300 SERIES  
 The undulating wave-curve design of this integrated grab bar and toilet tissue holder offers a surprising balance of modern style and solid function.  
 LENGTH: 30" (SHOWN: GW-3330-QCR)

**PIANO BAR** GW-3700 SERIES  
 The high falling curve design and dual role of combination grab bar with towel bar tucked underneath offers strength, support and a unique style statement.  
 LENGTH: 30" (SHOWN: GW-3730-QCR)

All Wellness Series products are shown in Seachome's standard polished stainless finish. Additional finish and design options are available upon request.

GRAB BAR COLORS AND FINISHES

# WELLNESS HEALTH CARE

## END MOUNT TUB SEAT

STE-290160-PWS

The stainless steel frame of this end-mounted tub seat supports a durable 1/2" phenolic top that is waterproof, stain resistant and easy to clean. Shown here with slats but also available in a solid one-piece seat top.

LENGTH: 29" | WIDTH: 15"

## REAR MOUNT TUB SEAT

STR-290165-PTS

This seat top attaches to the rear of the tub and conveniently folds up against wall to save space. Supported by a #304 solid stainless steel frame. Shown here in 1-piece phenolic teak.

WIDTH: 29" | DEPTH: 16.5

## BENCH SEAT

SSB2-480240-PWS

This bench shower seat with legs provides a phenolic top securely supported by a #304 stainless steel frame. Meets all federal specifications.

LENGTH: 48" | DEPTH: 24"

## BARIATRIC SEAT

SSB3-360180-PWS

Designed especially for bariatric needs, this seat's wall-mounted frame and 3" padded stainless steel leveling feet are engineered to withstand up to 1500 lbs/f. Solid phenolic seat top is slotted for drainage. Also available in phenolic teak.

LENGTH: 36" | DEPTH: 18"

Seachrome seats meet Federal Spec. WW-P-541/8b and ANSI 117.1. When properly installed, all seats exceed applicable federal load specifications. These models have been independently tested to withstand 1,000 lbs in a 30-minute static load test.

The Wellness Series Health Care products offer an extensive variety of sizes, seat tops and finish options.

WELLNESS

SWING AWAY BAR  
WALL TO FLOOR

GW-4300 SERIES

This wall-to-floor mounted swing bar is engineered to move 90 degrees out and back for solid support in the shower. The swing-away bar is 39" X 3" with a 21" swing arm and locking rotating flange.  
LENGTH: 30"

SWING AWAY BAR  
WALL-TO-WALL

GW-4200 SERIES

A wall-mounted version of the 90-degree swing bar offers safety, support and room to move in a shower or bath.  
LENGTH: 30"

SWING UP BAR GW-4100 SERIES

The swing-up grab bar can be easily guided upwards to create space - with less than three pounds of pressure - and down again for secure support. The smart design ensures it will never move on its own weight.  
LENGTH: 30" (SHOWN: GW-4130)

U-BAR GW-3800 SERIES

A smart, elongated horizontal "U" design offers a chic solution for integrating the solid functionality of a grab bar and stylish towel bar.  
LENGTH: 30" | HEIGHT: 11"  
(SHOWN: GW-3830-QCR)
